Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Notice to File Missing Parts mailed **April 11, 2002**, Applicant submits the following remarks.

Remarks

The notice to file missing part mailed April 11, 2002 indicates that the oath or declaration is missing. It further indicated that a late filing fee of \$130 be paid, to avoid abandonment. However, after reviewing the records, the Applicant found that properly executed Declaration and Power of Attorney had been filed with United States Patent and Trademark Office, when the present application was filed on October 16, 2001. Copies of relevant documents that were filed on October 16, 2001 are attached herewith.

Therefore, it is respectfully requested that the Notice to File Missing Parts of Nonprovisional Application mailed April 11, 2002 be withdrawn and forward to us an official filing receipt.

It is not believed that extensions of time or late filing fees are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor or late filing fees under 37 C.F.R. § 1.16(l) are hereby authorized to be charged to our Deposit Account No. 23-1951 (McGuireWoods LLP).

Prompt and favorable consideration is respectfully requested.

Respectfully submitted,
